

# Dazzling Scratch Cards

## How-to Materials

**Cardboard** : any kind of thick cardboard like the inside of an old cereal box.

**Wax crayons**

**Black tempera paint with a couple of drops of dish soap**

**Paintbrush**

**Toothpicks**

1. Color the cardboard page with wax crayons. Fill in the entire page.
2. Mix your black paint with a couple of drops of dish soap.
3. Paint over your drawing completely. Make sure to protect the surface you paint on. You may need to paint coats of paint.
4. Let it dry.
5. Once dry, use a toothpick to scratch your drawing.
